

EMAS™ Campaign Builder

Simplify Emailing with EMAS Campaign Builder

Take the Headaches out of building Emails, based on approved templates

- **Bulletproof & easy to use – End-Users can't break the template code**
 - End-Users easily customize an entire message from your pre-approved template parts
 - Reduce costs and IT staff time with simplified email prep and approval workflows

Protect Campus Branding with Controlled & Customizable Email Creation

- **Safeguard your brands with consistent, dynamic, and impactful emails**
 - Present consistent branding to email recipients
 - Empower End Users and Departments without fear of compromising campus standards

The Power is in the Flexibility and Simplicity

- **Preview emails on smartphones, tablets, & laptop browsers before sending**
 - Adapt your layouts to create powerful, highly customized & targeted messages
 - Endow End-Users with fonts, colors, sizes, images matching your branding

Anyone on Campus Can Now Create Emails
